STATEMENT OF SUBSTANCE OF INTERVIEW

Sir:

Please review and enter the following remarks summarizing the telephonic interview
conducted on March 9, 2007:

INTRODUCTORY COMMENTS

Remarks begin on page 2 of this paper.

REMARKS

As a preliminary matter, Applicant's representative would like to thank the Examiner for courtesies extended in the telephonic interview conducted on March 9, 2007.

Applicant submits this Statement to comply with the requirements of M.P.E.P. § 713.04.

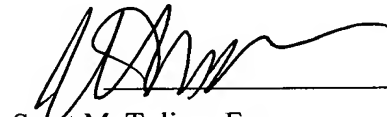

In the interview, Applicant's representative request a clarification of the Examiner's indication on the Notice of Allowability dated February 27, 2007 that corrected drawings were required.

Specifically, Applicant's representative pointed out that on the Notice of Allowability the Examiner indicated that corrected drawings were required as set forth in the Examiner's Amendment. However, in the Examiner's Amendment the Examiner indicated that the replacement drawings filed on December 21, 2006 were entered and acceptable.

The Examiner indicated that the requirement for corrected drawings on the Notice of Allowability was in error. The Examiner further indicated that she would shortly prepare and issue a Supplemental Notice of Allowance correcting this error.
